Eligibility

You are eligible to enroll for the BGCWA Insurance Trust Plans if you are actively employed by and regularly scheduled to work at least 30 hours per week on a consistent basis for the Boys & Girls Club application and you have satisfied the Waiting Period described below. Employees who work less than 30 hours per week and temporary or seasonal employees are not eligible to enroll for these Plans.

Waiting Period and Coverage Effective Date for New Employees

Your Club has selected a Waiting Period that must be satisfied before any of these insurance plans go into effect. The Waiting Period will be either 30-days or 60-days of continuous employment. Check with your Club's Insurance Representative to determine the applicable waiting period for your Club. During the Waiting Period you must meet the definition of an Eligible Employee shown above and be receiving your regular wage or salary from the Club. This Waiting Period will apply to all new employees unless the employee transferred from another Club that has the same or a similar Plan, and there was no gap between employments with the two Clubs. Then, with your new Club's approval, the Waiting Period can be waived. All coverages will be effective the first of the month following the applicable waiting period selected by your club. If you do not apply during within 30 days of your eligibility, your enrollment will be considered a late enrollment, and you will not be eligible until the next annual enrollment unless you have a HIPAA qualifying event or change in family status for Medical, Vision and Dental coverages ONLY. If you have a HIPAA qualifying event or a change in family status, you must enroll within 30 days of such event. In regards to Life/AD&D, late applicants will not be allowed into the plan for any reason if initially refused coverage. Supplemental Life AD&D annual enrollment period is only available to employees and dependents who currently have the coverage. You should discuss when your coverage will be effective with the Club's Insurance Representative.

Late Enrollment

An enrollment is considered a Late Enrollment if the enrollment application is not completed and submitted within 30-days after the Waiting Period. If you are a Late Enrollment your coverage effective date may be delayed until the next open enrollment period for Medical, Dental, Vision, STD and LTD. Any late Life Applicants may be required to fill out an EOI to be considered for coverage.

Coverage Selection

Check with your Club's Insurance Representative to learn which of the BGCWA plans are available to you. You can only enroll for plans that your Club has selected to offer to eligible employees and you may be responsible for paying a percentage of the premium through payroll deductions. <u>If the Club pays 100% of the premium for any of the Plans, you must enroll for that Plan.</u>

Coverage Changes

All Changes to coverage or terminations of coverage must be approved by your Club's Insurance Representative. If you are making changes to a previous enrollment election, please make sure to check the "change enrollment" box under each section you are changing.

During Annual Open Enrollment

If you are currently enrolled, and do not want to make any changes to you or your dependents' current coverage, you do not need to complete this enrollment form. You will automatically be enrolled with the same coverage you have now. During open enrollment, you only need to complete this form if you are making any changes to your election coverages, or if you are adding or removing dependents. Any Life/AD&D changes may require an EOI form to be completed before consideration of any increases in coverage.
